BLESSINGS

By Leif Hetland
Hello Friend,

In the wilderness, God's people asked for manna, but the next day they wanted fresh bread again. They lived in a state of day-to-day dependency because that was how they received from the Father in that season. When they moved into the Promised Land, they planted gardens and cultivated the land God entrusted to them. They were still dependent, but they received a seed that would become a new lifestyle.

People often tell me they are waiting to receive a baptism of love as if it is a single encounter. I would rather give them a process that enables them to cultivate a lifestyle of love. I recommend following this process for 30 days:

First, think what God thinks.

Second, feel what God feels.

Third, hear what God hears.

Fourth, and then say what He thinks, feels, and says—even when it is very often the opposite of your own thoughts, feelings, and words.

The seeds that God plants in your heart during this time will grow into beautiful trees that bear fruit. If our relationship with the Lord is moving from one encounter to the next, we will find ourselves looking for something new every couple of weeks to keep us going. **God wants to plant a seed of love that can grow deep roots in the soil of love so that you can have a tree of love that sustains you continually.**

We don't need to live in a visitation culture; in the new covenant, we live in a habitation-culture with the indwelling of the Holy Spirit. Start practicing seeing yourself the way Papa God sees you. Let your roots grow deeper in love so that you can receive more love and your spirit attunes to His voice. *Simply rest, receive and become.*

Hi everyone,

September 11- 12, 2021 is NSW RFS Get Ready Weekend.

Get Ready Weekend provides an opportunity for you to engage with your local brigade, find out about the bush fire risk in your area and to plan and prepare for the coming bush fire season.

Due to the ongoing Covid-19 lockdown in Greater Sydney Menangle RFS will be hosting our 2021 Get Ready event online. We are in the process of planning a number of online workshops including:

- **Children's Workshop**- story time and an opportunity for kids to meet local brigade members and ask questions.
- **Preparing for Bush Fire Season**- understanding your fire risk, making a plan and simple steps to prepare your home and property.

We will also be sharing a large amount of content on our Facebook page through September including:

- Preparing for bush fire season
- Preparing your home for bush fire season
- Preparing your rural property for bush fire season
- Understanding Fire Danger Ratings and Alert Levels
- Permission to Burn
- Becoming an RFS Volunteer

Be sure to follow our Facebook page: <https://www.facebook.com/menangleRFS> for links to our workshops and other Get Ready information.

If you're not on Social Media but would like to receive information about our Get Ready workshops please email: natalie.h2568@gmail.com

THOMO'S CORNER

How smart is your right foot?

This is hysterical. You have to try this.

It is absolutely true. I guess there are some things that the brain can't handle.

While sitting in a chair, lift your right foot off the floor and make clockwise circles.

Now while doing this draw the Number 6 in the air with your Right hand. Your foot will change Direction.

I told you so and there is Absolutely nothing you can do About it! You and I both know How stupid it is, but before the

Day is done you are going to try it again, if you've not already done so.
